Fleet Test & Evaluation, Revised August 2002 (CD-ROM)
http://www.nrel.gov/docs/fy02osti/32642CD.zip (ZIP 34.7 MB)

NREL/EL-540-32642
August 2002

Instructions: The URL above links to a zipped archive file that is not self-extracting. Download the .zip file to a local drive, then extract the contents to its own folder. Open the extracted folder launch the CD (most CDs contain an executable, PDF, or readme file in the root folder); or write all the contents to a CD-ROM for storage.

System Requirements: Adobe Acrobat Reader 5.0 or better to view PDF files; a file decompression utility such as WinZip (PC) or Stuffit Expander (Mac) to extract the files from the ZIP file (both are available via Internet); and sufficient storage space for decompressed files.
