WHERE INVESTMENT MEETS INNOVATION

INNOVATION & INVESTMENT

30TH ANNUAL INDUSTRY GROWTH FORUM

Denver | March 26–28, 2025

Industry Growth Forum

Celebrating its 30th year, the [Industry Growth Forum](#) (IGF) is the foremost gathering for cleantech and climate-tech entrepreneurs, investors, and private sector leaders. This event focuses on building relationships, showcasing innovative technologies, and identifying disruptive business solutions. The IGF leverages decades of technical expertise and industry partnerships cultivated at the National Renewable Energy Laboratory (NREL), the nation's leading lab for renewable energy and energy efficiency. By concentrating on commercial viability and market impact, IGF is a platform that facilitates strategic collaborations and drives industry advancements.

National Renewable Energy Laboratory

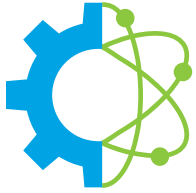

At NREL, we are dedicated to pioneering solutions for today's energy challenges. From breakthroughs in fundamental science to innovative clean technologies, NREL researchers are transforming how the nation and the world use energy.

The NREL Innovation and Entrepreneurship Center (IEC) is at the forefront of advancing cleantech and climate-tech innovations. Our mission is to bring economically viable technologies to market by leveraging NREL's expertise and resources. We connect our private and public funding partners with a dynamic network of startups, investors, incubators, foundations, and industry leaders. Let's work together to support a vibrant ecosystem committed to solving critical energy and environmental challenges, driving industry advancements, and accelerating the clean energy transition.

"Really the number one event for startups, investors, and ecosystem to convene."

– ML Strategies

Comprehensive Across Cleantech and Climate Tech Sectors

- Agriculture, Food and Land Use
- Built Environment
- Carbon Removal
- Circular Economy

Invitation to Sponsor

Gain valuable exposure and recognition of your organization as a sponsor at the 2025 Industry Growth Forum. This premier event offers excellent opportunities for companies to promote their brands and network, as well as share and exchange industry knowledge and expertise. All sponsors are promoted prior to and at the event as well as in the conference materials, dependent upon the level of sponsorship. Don't miss this opportunity for your organization to get involved. We offer several sponsorship opportunities to fit your budget and requirements. For more information on sponsorship opportunities, please contact IGF@nrel.gov.

Sponsorship Benefits and Levels

Sponsoring the Industry Growth Forum will give you more visibility and broader reach to the conference attendees. Pre-, during- and post-event promotion of your clean energy initiatives will increase your brand awareness and keep your company top of mind. The conference will be promoted through [our website](#), partner network and extensive email outreach.
